September 1, 2008

Dear Motor Carrier,

Due to the Passage of Assembly Bill 5 (AB5) in the 2007 Nevada State Legislative Session, effective January 1, 2009, carriers with 100% Nevada only fleets will now have staggered periods of registration.

Your Nevada only fleet(s) has been assigned to the April 1st through March 31st registration cycle.

What this will mean to you:

- ◆ Using the enclosed documents, your current period of registration will be for 3 months (January, February and March). You will be remitting payment to the Department of Motor Vehicles, Motor Carrier Division, covering the 3 month transition period.
- ◆ In February 2009 you will receive a renewal invoice for your new period of registration. Your new 12 month period of registration, will begin April 1, 2009 and end March 31, 2010.
- ◆ To avoid penalties and administrative fines, your February 2009 renewal invoice payment must be postmarked no later than April 1, 2009.
- ◆ Since your renewal and supporting documents will have already been submitted (for example: 2290, Taxpayer responsibility, smog certificates, etc.) with your previous 2009 renewal, you will not be required to resubmit the documents again with your April 2009 to March 2010 renewal invoice payment. Supporting documents must be provided if adding new vehicles.
- ◆ If you were previously on installment payments, your account will remain on four (4) quarterly installment payments due April 1, 2009, July 1, 2009, October 1, 2009 and January 1, 2010.
- ◆ If you were previously on full pay, your account will remain on full pay and payment is due on April 1, 2009.
- ◆ If you have a fleet operating under the provisions of the International Registration Plan (IRP), your renewal cycle will remain **January 1st through December 31st**. No changes are being made to the existing 12 month IRP registration cycle.

If you have any questions, please contact us using the phone number or address above.

Sincerely,

Motor Carrier Licensing Team,
Motor Carrier Division, Nevada Department of Motor Vehicles
