FIRE TRUCK LICENSE PLATE APPLICATION

NRS 482.3795

Special license plates and registration may be issued for privately owned fire trucks. Vehicles operated under this provision may only be operated under the following conditions:

- 1. The Fire truck will only be used for musters, exhibition, parades or similar activities and may not be used for general transportation.
2. 'Fire Truck' means a motor vehicle designed and manufactured for use in suppressing fires and which is equipped with fire suppression apparatus.
3. All gasoline powered vehicles and light duty diesel vehicles 1968 and newer, based in Clark and Washoe Counties, are required to have an emission inspection prior to registration.
4. The owner of the fire truck must provide Nevada evidence of liability insurance at the time of application.
5. The Fire Truck must be inspected and found safe to be operated on the highways of Nevada.

The initial fee for Fire Truck license plates is \$16.00, plus a \$1.00 prison industry fee, which includes a Technology fee. The annual renewal fee is \$5.00. These fees are in lieu of the annual registration fees and governmental services tax.

Application must be made in person at a DMV full service office, or where applicable at a County Assessor's office.
