## CLASSIC VEHICLE LICENSE PLATE APPLICATION NRS 482.3816

A resident of the State of Nevada who owns a passenger car or light commercial vehicle (having a manufacturer's rated carrying capacity of 1 ton or less), manufactured more than 25 years prior to the date of application, may apply for Classic Vehicle license plates. Classic Vehicle license plates are inscribed with the words CLASSIC VEHICLE and four consecutive numbers. The first time fee for a Classic Vehicle license plate is \$35.00, plus a .50-cent per plate Prison Industry Fee. The total of \$36.00 is *in addition to all other registration fees*. The renewal fee for a Classic Vehicle license plate is \$10.00 *in addition to all other registration fees*.

A Classic Vehicle must contain only the original parts that were used to manufacture the vehicle or replacement parts that duplicate those original parts.

If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full twelve 12-month period. Credit for any unused portion of your current registration will be allowed. In applicable counties, if you are renewing for a full 12-month period, and your previous evidence of compliance with emissions standards was obtained more than 90 days ago, the vehicle must be re-inspected prior to registration.

In accordance with NAC 445B.6125, if a Classic Vehicle has been certified, upon each annual registration, to be driven not more than 2,500 miles since the immediately preceding annual registration, the Classic Vehicle may be certified as exempt from compliance with emission standards. Attach a *Restored Vehicle Odometer Certification For Emission Exemption* (EC-18) to this form.

Application must be made in person at a DMV full service office, or where applicable, County Assessor office.
