C. Motor Carrier Vehicle Registration Application Checklist Instructions

Section A: General Registration Documentation Requirements:

The “General Registration Documentation Requirements” checklist shall be used by the Motor Carrier Division for all Motor Carrier Vehicle registrations which include 100% Nevada Only and International Registration Plan (IRP).

As appropriate, this checklist may also accompany the “Additional IRP Registration Documentation” checklist for apportioned registrations (Sec B)

For access to listings of all corporations and limited liability companies registered with the Nevada Secretary of State’s office please access the following link:

<http://nvsos.gov/sosentitysearch/>

Section B: Additional IRP Registration Documentation Requirements:

The “Additional IRP Registration Documentation Requirements” checklist shall be used by the Motor Carrier Division when issuing an apportioned registration. This checklist shall also be used to verify the carrier is not relocating from another jurisdiction into Nevada. Carriers relocating to Nevada are not permitted to estimate mileage on their IRP application. If actual mileage from a previous jurisdiction is available it must be used to correctly calculate jurisdictional fees.

Note: All forms are available on Motor Carrier's website:
www.dmvnv.com/mcforms.htm
