Old style "Blue" license plates with dashes may not be duplicated. However, they may be converted to Circa 1982 Replica license plates for the Duplicate license plate fee of \$10.00 plus 50 cents per plate Prison Industry Fee if the plate is active. If the license plate has been expired for more than 18 months, the cost is \$25.00 plus \$1.00 (.50¢ per plate) Prison Industry Fee.

The fee for Duplicate license plates is \$16.50, which includes a Plate Production fee of \$2.25 per plate, Prison Industry fee of 50 cents, and a Technology fee of \$1.00.

Your Duplicate license plate(s) will be mailed to the current address of record maintained by the Department. If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full 12-month period. Credit for any unused portion of your current registration will be allowed. In applicable counties, if you are renewing for a full 12-month period, and your previous evidence of compliance with emissions standards was obtained more than 90 days ago, the vehicle must be re-inspected prior to registration.
