MOTOR VEHICLE INDUSTRY BULLETIN AUTHORIZED EMISSION CONTROL STATION OPERATORS

LABOR RATE SURVEY NEVADA ADMINISTRATIVE CODE 445B.599

The Department will annually prescribe the maximum fees for inspections and testing by authorized stations and authorized inspection stations, and will mail a notice of the applicable maximum fee to each authorized station.

For each county where a program of inspection and testing of vehicles is in effect, the Department will determine the maximum fee which may be charged for the inspection and for issuing evidence of compliance, by taking 35 percent of the average hourly Shop Labor rate charged by the authorized stations within the county and rounding the result to the nearest 50 cents.

If an authorized station or authorized inspection station is located outside any county where the inspection and testing of vehicle emissions is in effect, the Department will prescribe as the maximum fee for the station, the maximum fee of the nearest county where the program is in effect.
